

Biography

Department of the Army

M. Annette Evans
Deputy Garrison Manager
US Army Garrison, Adelphi Laboratory Center
Adelphi, Maryland

Ms. Evans is currently serving as the Deputy to the Garrison Manager at U.S. Army Garrison Adelphi Laboratory Center, Maryland. In this capacity, she exercises executive leadership, provides policy and program oversight to the broad range of installation programs and represents the commander in his absence. She is responsible for managing the day-to-day installation operations and for providing administrative program direction to directors and special staff in finance, logistics, police and fire services, information technology, engineering, environmental, safety, customer service support, and personnel.
